Just a note to touch base with you in preparation for next weeks meeting. As you know, you are sharing the 3 PM - 3:30 PM time slot and will be presenting updates from your respective programs, in particular, those NonAg related items or issues. Royan will present first followed by Ed. We are hoping to have a few minutes for Q & A. Attendees will use the chat feature to submit questions. The moderators will assist in monitoring the chat.

You should have received an email from Shelby Warner for a Speaker Tech Check. If you did not, and would like to do the check, please let me know. Also, if you have slides, you can send them to Mike Page or you can simply share your screen and advance them yourself.

If there is anything you need, please do not hesitate to let me know.

Thank you again for your participation!
